

## Operational Reporting

## Inventory Turnover

**About the report –** Inventory Turnover for a given period. This report helps to identify items which have fast or slow turnover. This can be helpful for determining purchases and inventory levels. Dates used in filtering must be formatted to the same format used in NAV.

**Modifying this report –** This report can be modified by entering design mode from the Jet tab. This report makes use of Calculated Fields in pivot tables as listed on the 'Formulas' worksheet (hidden in report mode).
